Certificate of Insurance | Evidence of Insurance

We have partnered with EOI Direct to process our certificates of insurance. EOI Direct provides around the clock online access to evidence of insurance information for lenders, mortgage brokers, closing agents, realtors and homeowners in need of a certificate of insurance or master policy data for community associations insured through our office. EOI is an online internet facility developed to simplify and automate the process of delivering property insurance certificates within minutes at any time, including holidays.

To request a certificate of insurance or to view the policy coverage listed on a particular certificate, please visit www.eoidirect.com. If you are a first time user, follow the links to register and write down your User ID and Password so you can log into your account when prompted. *There is a delivery charge for new or refinanced mortgages, but there is no cost to register for this service and master policy information is available free of charge online.*

Once logged into your account, click on "Evidence of Insurance" to search and access the association's policy information you are seeking. Customer service is available from 9:00 a.m. to 8:00 p.m. (EST) Monday through Friday to provide additional assistance. The call center's toll-free number is 1-877-456-3643.

If you prefer not using the online facilities, EOI Direct can assist you over the phone. Please have all the appropriate information for your unit, lender and mortgage, and call EOI toll free at 1-877-456-3643 between 9:00 a.m. and 8:00 p.m. (EST) Monday through Friday.
